Creek Side Garden Tractor Pullers Association

February 26, 2011

To whom it may concern:

The Creek Side Garden Tractor Pullers Association was established in 2010. The pulls are held throughout the summer at Racer's Hall, Plymouth. Our club held five events last year and have nine events scheduled for this year. We have four Hometown classes; three stock classes, a limited super stock and three super modified classes. As our season progressed, we doubled our entry number from 29 – 59. The pullers average in age from 8 to 60+. The pullers have come from as far away as Waukesha, Pickett, Berlin and Mishicot. We've had a great spectator attendance also.

This year to have a better points fund and to secure some equipment required to make our events even more successful, we're looking for sponsors. The attached sheet gives you the options available. The billboard ads are for two years. We will need you to supply your graphic design to be printed on a billboard.

We hope you'll consider becoming a sponsor for the 2011 season. Our schedule is below and we hope you'll attend one of the events as well.

Thank you,

Creek Side Garden Tractor Pullers Association
Board of Directors
